Photos provided by Kevin McNamara son of John P. McNamara.

I stumbled upon your website in honor of Saint George High School. My father played football and ran track there.

My father (John P. McNamara) passed away in 1981 from cancer. My father is #11 in the 1941 picture and number 26 in the 1944 Picture. He is also the one on the left with the arrow pointing toward him. My mother gave me some of these photos to share with my brothers and sisters and I figured after seeing your website, that maybe they would be a good addition. Kevin McNamara, Yorktown, IN
