Special thanks to Bill Kearns and Dennis LaLiberty for their work on this project every year!

If so, please contact your Alumni Office at 630.323.3725.

**Look for your last Georgian Newsletter before the May Luncheon to arrive the week of March 21st!**

To meet the changing needs of our alumni, a new time and location have been chosen this October as we commemorate the living legacy of St. George High School with a luncheon.

Instead of our traditional family-style meal, you will be able to select from two entrees as you complete and submit this Newsletter's Registration Form:

Champagne Chicken: sautéed boneless chicken breast finished in a creamy champagne sauce served with scalloped potatoes and roasted baby vegetables

-or-

Atlantic Salmon: grilled filet of Atlantic salmon finished with herbal butter and dill cream sauce served with couscous and roasted baby vegetables

PRICE: \$60/person or 2 for \$100

*Please consider bringing your spouse, significant other, children or grandchildren to the event!*

*If you have any concerns, please contact Associate Director of Alumni Relations & Special Events Joanna Wagner directly at 630.323.3725 or [jwagner@cbmidwest.org](mailto:jwagner@cbmidwest.org)*

Plenty of parking will be available on-site. When you arrive at Chevy Chase, please look for the signs directing you to the "St. George Alumni Luncheon."

### ALUMNI SPOTLIGHT: DAN COLLINS

Dan Collins ('49) was the editor of his yearbook while at St. George, and he continues to carry on that Dragon legacy today. Dan was an Anatomical and Clinical Pathologist in his professional career and attended both Notre Dame and Loyola Medical School and currently resides in Milwaukee, WI. His brother is also a graduate of St. George, class of 1946. His father was a fire chief for the Chicago FD.

Dan and his late wife, Caroline, of 61 years, have five children, 17 grandchildren and two great-grandchildren. Caroline's memory lives on through Dan's continuing relationship with the Christian Brothers and Br. Dale Mooney, President at De La Salle Blackfeet School in Browning, MT. Through Dan's generosity, a legacy mural in honor of Caroline has been commissioned depicting the school's historical context. Dan also donated a magnified reading machine to the Brothers suffering from vision impairment. The machine enables the reader to magnify the copy and even read it back to them for those with severe vision impairment. Dan's generosity has inspired the introduction of additional machines for Brothers across the District. Thank you to Dan for their continued support of the Brothers who were so influential in creating the man he is today! Go Dragons!

## SAVE-THE-DATE
